MOTION FOR LEAVE TO AMEND

1. Jupiter Broadcasting Corp. ("JBC") asks leave to amend its application to reflect Charles Reid's part-time work at Station WPOM(AM), Riviera Beach, Florida, and his intention to cease his association with the station if JBC's application is granted.

2. In support of this request JBC notes that the information reported in the amendment attached as Exhibit No. 1 does not enhance JBC's comparative posture and, therefore, does not prejudice JBC's opponent. It requires neither the addition of parties nor the addition of issues to this proceeding.

3. The status of Mr. Reid's earlier association with Station WPOM was reported in amendments to JBC's application filed in July 1989 and May 1990. Copies of these Amendments are attached as Exhibits No. 2 and 3, respectively. Mr. Reid's commitment to sever

is connections with Station WPOM was first set out in the July 1989 amendment appended hereto as Exhibit No. 2. While Mr. Reid's latest work on behalf of Station WPOM is not being reported within the period set out in Rule 1.65, JBC asks that this delay not bar acceptance of JBC's amendment. JBC has attempted to report all changes to its principals' media employment in a timely manner. This is the fourth amendment to Mr. Reid's media employment since JBC filed its application<sup>1</sup> and it reflects work for a previously-reported station.

4. In view of the foregoing, JBC requests acceptance of the attached amendment.

Respectfully submitted,

Joseph A. Belisle

<sup>1</sup>JBC filed three prior amendments reporting changes in Mr. Reid's media employment on July 28, 1989, September 1, 1989 and May 2, 1990. The July 28, 1989 amendment reported Mr. Reid's previous employment at Station WPOM as the station's program director and Mr. Reid's intention to sever his connections with WPOM if JBC's application was granted.

AMENDMENT

The Application of Jupiter Broadcasting, Corp. (FCC File No. BPH-890103MD) is amended to reflect that from November 1991 to June 20, 1992, Charles Reid worked part-time as a volunteer at Station WPOM(AM) Riviera Beach, Florida.<sup>1</sup> Mr. Reid initially served as the station's program director. With the departure of Mr. Steve Nettere as the station's general manager, Mr. Reid served as the station's volunteer general manager. Mr. Reid continues to be associated with Station WPOM as a part-time account executive. Although he has not received any commissions from the station, he hopes to be compensated for sales of advertising on a commission basis.

In the event that Jupiter Broadcasting, Corp.'s application is granted, Mr. Reid proposes to sever his connections with Station WPOM(AM).

Charles E. Reid

<sup>1</sup>Mr. Reid was paid for his first week at the station but was only reimbursed for expenses thereafter.

PETITION FOR LEAVE TO AMEND

1. Jupiter Broadcasting Corporation ("JBC") requests leave to amend its application to reflect changes in its President's media interests and residence address. Good cause for acceptance of this amendment exists because it is required under Rule 1.65; it does not enhance JBC's comparative posture in this proceeding; it does not require the addition of parties or issues; and it does not prejudice any opponents.

Respectfully submitted,

**PETITION FOR LEAVE TO AMEND**

1. Jupiter Broadcasting Corporation ("JBC") requests leave to amend its application to reflect (a) changes in it's President's employment, (b) arrangements for the withdrawal of Philip M. Greenberg, one of the applicant's non-voting shareholders, and (c) the granting of a stock option to Alan H. Potamkin for sixty shares of applicant's non-voting stock.

2. In support of this request, JBC notes that the matters contained in the proffered amendment are required to be reported pursuant to Rule 1.65. The amendment necessitates neither the addition of parties nor the addition of issues to this proceeding. The matters reported do not improve JBC's comparative posture in this proceeding. **AMENDMENT**

The application of Jupiter Broadcasting Corporation for authority to construct a new FM broadcasting station at Jupiter, Florida (BPH-890103MD) is amended to reflect that Charles Reid, the applicant's president, has accepted employment with Adelphia Cable Communications in Riviera Beach, Florida. In the event Jupiter Broadcasting Corporation's application is granted, Mr. Reid will sever all connections with Adelphia Cable Communications.

Further, the applicant has entered into an agreement to purchase the non-voting shares of Jupiter Broadcasting Corporation presently held by Philip Greenberg.

Finally the applicant has entered into an option agreement providing Alan H. Potamkin an option to purchase sixty shares of non-voting stock in Jupiter Broadcasting Corporation. Mr. Potamkin has a cognizable ownership interest in Station WXDJ(FM), Homestead, Florida and in Station WPBF-TV, Tequesta, Florida. Mr. Potamkin's option agreement prevents exercise of the option if the resulting ownership in Jupiter Broadcasting Corporation would contravene the rules, regulations or policies of the Federal Communications Commission, including its Multiple Ownership Rules and Cross-Interest Policy.
